

# BALTIMORE SCHOOL *for the* ARTS

## **BSA Supply List 2017-18**

### *Minimum Supply List for BSA Academics*

- 4 Binders (1" or more)
- Set of dividers for each binder
- Pencils • Pens (blue and black)
- Highlighters
- Composition Book (wide or college rule) • Loose Leaf paper
- TI 84 Plus Graphing Calculator
- Notebook sized hole puncher
- (2 packs) 3" x 5" lined index cards

### *Strongly Recommended*

- Small stapler
- Pencil Sharpener/Extra Lead
- Binder size 3-hole punch
- USB stick / flash drive
- Spanish/English dictionary (if in Spanish)

It is very likely students will need additional supplies for academic classes. Additional binders/folders might also be needed in art areas. Each teacher will give you a complete list of necessary supplies for each class and deadlines for which these supplies must be purchased. A BSA school planner will be provided for each student at the start of the school year. Graphing calculators can typically be found on sale in August and they cost approximately \$100. However, this calculator will be used the remainder of the time here at BSA and then in college. You can find used graphing calculators online for less expense.
