ENDOWED FUND FOR THE FUTURE

In recent years, increasing pressure on public funding and competition for essential financial resources prompted BSA founder Mark Joseph and his wife Patricia, lead donors to BSA, to establish the Endowed Fund for the Future with a \$1,000,000 endowment challenge and a total goal of \$10,000,000.

In 2017, the Josephs generously stepped forward again with a \$3,000,000 endowment gift to help endow the school's newest discipline in film and visual storytelling. This most significant gift ever received at BSA established The Charles C. Baum Film and Visual Storytelling Department in memory of Mark and Patricia Joseph's dear friend, Charles C. Baum. Through this program, BSA gives voice to an additional 60 students in the high school and 20 students in TWIGS through digital media.

The goal for The Fund for the Future, which includes a \$5,000,000 film endowment, is \$15,000,000. Our generous contributors to the Fund for the Future are listed below.
